Corey Tinianov, harmon.ie Product Manager

Agenda

1. The state of Information Management
2. The Information Management – Collaboration Gap
3. Solutions
4. Closing the gap demo
5. Q&A

Poll

What are the main IM challenges your organization faces?

1. Difficult to find information
2. Risk and liabilities - no consistent practices
3. Difficult to engage users in IM programs
4. Difficult to develop cohesive IM across all MS 365 apps
5. No challenge

Individual vs Organization
