The license granted to Company includes, to the extent covered by an Order, the right to (i) use server components of the Software to provide Users with access to the functionalities and content available through the Software; and (ii) distribute or enable Users to download Applications for use with the server components, to access the functionalities and content available through the Applications, in each case, during the license term and not exceeding the authorized number of Users.
- 1.2. The Software is licensed, not sold, and this Agreement grants only certain rights to use the Software. This license transfers to Company neither title nor any proprietary or intellectual property rights to the Software, enhancements to the Software and documentation, or any copyrights, patents, or trademarks, embodied or used in connection therewith, except for the limited right to use expressly granted herein. All intellectual property rights, whether registered or unregistered, evidenced by or embodied in and/or attached/connected/ related to the Software or documentation, or part thereof, and any improvements thereof, are and shall be owned exclusively by **Harmon.ie**. Copies of the documentation may be made by Company for its own internal needs. All copies of the Software and documentation will be subject to the terms and conditions of this Agreement. Whenever Company is permitted to copy or reproduce all or any part of the Software or documentation, all titles, trademark symbols, copyright symbols and legends, and other proprietary markings must also be reproduced.

Each party agrees that at all times during the term of this Agreement, and thereafter, each party will hold in confidence, and will not, other than for purposes of this Agreement, use or disclose to any third party any Confidential Information of the other party. The term "Confidential Information" shall mean all non-public information that each party designates as being confidential or which the nature of the information or circumstances of disclosure makes reasonably clear should be treated as confidential. "Confidential Information" includes, without limitation, the terms of this Agreement, the Software and documentation, pricing and discounts, the intellectual property and business practices of each party and information received from others that a party is obligated to treat as confidential, and any summaries, synopses, notes, analyses, computations, compilations, data, studies or other documents, material or records which contain or otherwise reflect or are generated from Confidential Information. Each party acknowledges that unauthorized disclosure or use of the Confidential Information of the other party will cause irreparable harm and significant injury to the disclosing party that may be difficult to ascertain. Accordingly, each party, as the receiving party, agrees that the disclosing party, without prejudice to any other right or remedy that it may have available to it at law or in equity, will have the right to seek and obtain immediate injunctive relief to enforce the rights and obligations contained in this Agreement without the necessity of proving actual damages, posting bond, or making any undertaking in connection therewith.

8. Term and Termination

- 8.1. This Agreement will take effect on the Effective Date and will remain in force for the license term set forth in the Order, unless earlier terminated in accordance with this Agreement. In the event Company has purchased a subscription term, at the end of the subscription term the license will automatically renew for successive license terms of equal length, unless a different term is agreed to by the parties at the time of renewal, and unless either party gives written notice to the other of its intention not to renew at least thirty (30) days before commencement of the next term. The subscription fees for each renewal term may be increased by Harmon.ie with thirty (30) days prior written notice.
- 8.2. Harmon.ie may, by written notice to Company, terminate this Agreement if any of the following events ("Termination Events") occur: (i) Company is in material breach of any term, condition or provision of this Agreement, which breach, if capable of being cured, is not cured within thirty (30) days after Harmon.ie gives Company written notice of such breach; or Company (ii) terminates or suspends its business, (iii) becomes insolvent, admits in writing its inability to pay its debts as they mature, makes an assignment for the benefit of creditors, or becomes subject to direct control of a trustee, receiver or similar authority, or (iv) becomes subject to any bankruptcy or insolvency proceeding under federal or state statutes. Any assignment or transfer made contrary to the foregoing shall be null and void. Subject to the foregoing, this Agreement shall apply to, inure to the benefit of, and be binding upon the Parties hereto and upon their permitted successors and assigns.

10. Miscellaneous

- 10.1 This Agreement (including the Attachments and any addenda hereto signed by both parties) contains the entire agreement of the parties with respect to the subject matter of this Agreement and supersedes all previous communications, representations, understandings and agreements, either oral or written, between the parties with respect to said subject matter. All rights not expressly granted in this Agreement to Company are retained by Harmon.ie. No terms, provisions or conditions of any purchase order, acknowledgment or other business form that may be used in connection with the acquisition or licensing of the Software will have any effect on the rights, duties or obligations of the parties under, or otherwise modify, this Agreement, regardless of any failure of the other party to object to such terms, provisions or conditions. This Agreement may not be amended, except by a writing signed by both parties. Any waiver of the provisions of this Agreement or of a party's rights or remedies under this Agreement must be in writing to be effective. Failure, neglect, or delay by a party to enforce the provisions of this Agreement or its rights or remedies at any time, will not be construed and will not be deemed to be a waiver of such party's rights under this Agreement and will not in any way affect the validity of the whole or any part of this Agreement or prejudice such party's right to take subsequent action.
- 10.2. If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable, that provision will be deemed stricken and the remainder of this Agreement will continue in full force and effect insofar as it remains a workable instrument to accomplish the intent and purposes of the parties; the parties will replace the severed provision with the provision that will come closest to reflecting the intention of the parties underlying the severed provision but that will be valid, legal, and enforceable. No exercise or enforcement by either party of any right or remedy under this Agreement, including termination under Section 8, will preclude the enforcement by such party of any other right or remedy under this Agreement or that such party is entitled by law to enforce. The Software is subject to United States export laws and regulations. Company may not export or re-export the Software or any technology received from Harmon.ie without the necessary and appropriate United States and other applicable government licenses. The provisions of Sections 2, 6.3, 7, 8.3, 9, and 10 will survive expiration or termination of this Agreement for any reason.

- 10.3. This Agreement will be governed by and construed in accordance with the laws of the State of Delaware, as they apply to agreements entered into and performed in that state, without regard to principles of conflict of laws and without regard to the United Nations Convention on Contracts for the International Sale of Goods (CISG) or the Uniform Computer Information Transactions Act as enacted in any state. The parties agree that the state and federal courts located in the State of Delaware shall have exclusive jurisdiction over any action arising out of or relating to this Agreement, and each party waives any objection to venue in such courts. Any such action shall be brought and prosecuted only in such courts. Each party hereby waives any right to trial by jury in connection with any action or litigation arising out of or relating to this Agreement. Without limiting the generality of the foregoing, Company consents to service of process in connection with any such claim or dispute by registered or certified mail, postage prepaid, sent to the address for notice set forth below.
- 10.4. Any notice required or permitted under the terms of this Agreement or required by law must be in writing and must be delivered in person, sent by first class registered mail, or air mail, as appropriate, or sent by overnight air courier, in each case properly posted and fully prepaid to (i) Company, to the appropriate address set forth in the Order; (ii) to Harmon.ie, to 1000 N. West Street, Suite 1410, Wilmington, DE 19801, USA. Either party may change its address for notice by notice to the other party given in accordance with this Section.
